Counsel are advised that this Court has recently been assigned to another case and may not be available until November to review anything other than routine matters. Further, the Court will need to get this case re-assigned to another Judge so the Trial deadlines can be met.

Counsel agree they would like to keep the matter in this Division. Counsel Li advises he will be meeting with the Defendant tomorrow and will make him aware of the situation and Rule 8 time.

Counsel Li will contact the Court by Monday, July 12, 2010 regarding this matter.

Counsel Li advises there are many motions but would like the Court to set aside some time as soon as possible on the regular calendar to hear some case management issues.

Court and Counsel discuss the deadlines currently set.

The Court enters the following Orders:

The July 20 and 21 hearing dates are **vacated**.

The current deadlines for motions, disclosure and any pretrial schedule deadlines are **vacated**.

The State shall submit a proposal for new disclosure deadlines.

**IT IS ORDERED** setting a Status and Motion Hearing on August 10, 2010 at 1:30 p.m.

The Court confirms the current Trial date.

Counsel for the State addresses the Court regarding the sealing of the Declaration filed by Truc Do which contains the autopsy report.

Counsel are advised the Court already ruled on that and exhibits 66, 67 and 68 were sealed and the Court has not allowed the remainder of the document to be scanned by the Clerk's Office at this time.

Counsel Do indicates she inadvertently submitted the entire document but only intended to submit exhibits 66, 67 and 68. Counsel withdraws the autopsy portions.

Counsel for the State requests that the entire autopsy report be sealed and would like an opportunity to review the remaining documents.

The Court will hold the document and the State shall file a motion regarding the request.

**IT IS ORDERED** setting a Telephonic Status Conference on Tuesday, July 13, 2010 at 1:30 p.m.

End Time 3:31 p.m.
